SHIPPING NOTES.

The barkentine Discovery, Capt McNeill, sailed shortly after noon today for the sound with a deck load of bananas.
The old schooner Kaulokai has been re-christened the Liliu. The Liliu has received a general overhauling on the Marine Railway, every part having been thoroughly inspected, and the consequence is she is one of the staunchest little craft in port. Capt Hillebrand will take the Liliu for a trading expedition in the South Seas on Saturday next.
The steamer W G Hall arrived from Maui and Hawaii this afternoon.
The schooner Alice Cooke has been moved to W S S Co's wharf.

WRIT OF HABEAS CORPUS.

Arguments were heard in the Supreme Court this morning by full bench in the habeas corpus case of one of the Chinamen held on the schooner Transit, as having no passport. The report of an assumpsit suit against Lau Chen one of the six, was reported in Saturday's Bulletin. The Marshal questioned the jurisdiction of the Hawaiian Government and so returned on the writ. W. R. Castle and F. M. Hatch for the petitioner; W. A. Whiting for Marshal Wilson, respondent.

A traveling man who chanced to be in the store of E. V. Wood, at McKee's Rocks, Pa., says while he was waiting to see Mr. Wood, a little girl came in with an empty bottle labeled Chamberlain's Pain Balm and said: "Mamma wants another bottle of that medicine; she says it is the best medicine for rheumatism she ever used." 50 cent bottles for sale by all dealers. Benson, Smith & Co., Agents.

A. J. CARTWRIGHT, SR., DEAD.

A telephone message shortly after 4 o'clock this afternoon announced the death of A. J. Cartwright, Sr.

LOCAL AND GENERAL NEWS.

The trial of W. C. Achi for embezzlement has been postponed until moved on.

No less than six cases of "intending to commit offenses" are pending for trial in the Police Court.

The British S. S. Palmas will leave for Portland, Oregon, and Victoria, B. C., at 9 o'clock to-morrow morning.

Hon. R. W. Wilcox will address a mass meeting at the Old Armory, Queen street, this evening at 8 o'clock, on the Pearl Harbor question.

NAACAO, Hockkado and Lepera (w) have been arrested for assault on Police Officer Louis Toussaint while in the act of making a raid on a che fa bank yesterday.

Hard times have struck Chinatown. Chinese tinkers may be seen daily mending pots and pans at five cents a patch. Fowls nicely dressed, fifty cents.

While a lumber dray was backing on the inter-island wharf this afternoon the horse made a sudden turn and the end of one of the shafts went several inches into his side.

PROCEEDINGS in the ejectment suit of Holt vs. Keola occupied the whole of yesterday in the Supreme Court and is still on this afternoon. It is being heard before Judge Dole and a Hawaiian jury.

The barkentine S. G. Wilder will sail for San Francisco at one o'clock to-morrow afternoon. As the Wilder is a fast sailer, and Capt. Griffith an agreeable master to travel with, her berth ought to be full.

The Australia not being signaled up to 3:30 o'clock this afternoon, a supposition is abroad that a substitute of slower speed is coming, as it has been reported that the Australia was to make a through trip to the Colonies.

The band will give a moonlight concert at the Hawaiian Hotel this evening for the benefit of passengers by the Australia, providing that steamer or a substitute shall arrive. A dance will be had in the lanai after the concert.

W. E. KERR was arrested yesterday on a charge of intending to commit an offense on Mrs. Almira Stone in uttering threatening language against her on Sunday afternoon. In the Police Court he was discharged on his word that he intended no harm against the woman.

Miss J. Smith returns to Kanai today on the steamer Mikahala to resume her charge—the Kanai Industrial School. Miss Smith has been assiduous in her attention to this valuable institution, and the work she has done for it in Honolulu, in awakening interest and procuring benefits from concerts, will be a great help to the school.

EDITOR BULLETIN:—A correspondent in this morning's Advertiser, signing himself Video, should be on the Ways and Means Committee of the Assembly. While it may not be wise to assent to all the correspondent says, it will be evident to any thinking person that he is in the main correct.

One item seems to have escaped Video's observation, and he will pardon me for directing his attention to it. I allude to the item of \$40,000 for the advertising of Hawaii at the Columbian exposition. What consistency!! All salaries are lessened, not improperly, evidently for the purpose of providing for this \$40,000 item.

It is said that this extravagant appropriation is under the protection of the bright and shining leaders of the Reform party in the Assembly. It behooves the members of the National Reform and Liberal parties to drop this item out or to reduce it to a sum that is in keeping with the financial condition of the Kingdom.

THE LEGISLATURE.

THIRTY-SEVENTH DAY.

TUESDAY, July 12, 1892.

Morning Session.

House convened at 10. Minutes were read and approved.

Rep. Smith presented a petition from Kanai that \$1500 be appropriated for the purpose of building a road from Hukilau to Nuanulu. To Committee on Public Lands.

Noile Williams from the Printing Committee reported the resolution of Rep. R. W. Wilcox printed and ready for distribution.

Noile J. M. Turner from a select committee of the Legislature of 1890 presented a report on a Bill (35) contemplating the reorganization of the Postal Savings Bank. The committee present an amended bill number 78 which they recommend be considered. Signed by Hons. J. M. Horner, A. P. Peterson, Jos. Nawahi and A. Marques.

Report was accepted and tabled for consideration with the Bill 78.

Rep. Smith read for the first time a bill to amend the law relating to "Fire Limits."

At 10:20 Rep. Kamao moved the Order of the Day and the special order, consideration of Bill No. 63, relative to recoinage, was taken up and considered on third reading.

Noile Macfarlane offered the following amendment to Section 1: "The Minister of Finance is hereby authorized and directed to cause to be coined not more than 200,000 silver dimes, 100,000 nickel half dimes and 400,000 one cent pieces. Such coins shall be of the same weight, fineness, material and general character as the coins of a similar denomination now being coined and issued by the United States of America."

On motion the amendment was accepted, and the Bill then passed as amended, was re-referred to the Engraving Committee and for third reading on Thursday next.

At 12:01 the Assembly took recess until 1:30 p.m.

A RUFFIAN CINCED.

Kicked a Woman for Fifty Cents to Play Che Fa

A healthy and sturdy looking native named Kalaaukahiki was tried in the Police Court this morning on two different charges—of assault and intending to commit an offense—preferred against him by Holt (w.) Holt, who had been living with the defendant for some years, stated that he had assaulted her with a boot on the head because she refused to give him fifty cents with which to play che fa, and that she was in mortal fear of Kalaaukahiki. The defendant in rebuttal denied ever asking the woman for money with which to play che fa or ever assaulting her. On being asked how the bruise on the woman's head was caused, Kalaaukahiki stated that she bumped her head against the house in order to get him into trouble. The Police Justice found the fellow guilty of both charges, and for assault gave him thirty days' imprisonment at hard labor. On the second charge of intending to commit an offense he was ordered to give a bond of \$100 with one good surety that he will keep the peace and commit no offense against the woman for one year. W. C. Achi noted an appeal for defendant.

They Evidently Like It!

IF NOT; WHY NOT?

Prepared daily from Fresh Fruit, it cannot be otherwise than wholesome, refreshing and delicious.

Our leading flavors are Pineapple, Orange, Strawberry and Grape Juice. We have all the others but our specialties are those named. Ice Cream Soda has also proved very popular.

As we manufacture our own Soda Water from Pure Bicarbonate Soda, we claim it is better than that made with marble dust. Those who have tried it, concur with our statements.

Having perfected the Ice Box we are enabled to produce colder soda than heretofore.

All flavors with Ice Cream, 10c; Vichy Water, 5c; Sauerbrunnen Water and Hunyadi Water.
